

**BIO 393  
BIOGEOGRAPHY OF THE**

**APPLY**

# GALÁPAGOS ISLANDS

**COST \$3,300  
(AIRFARE INCLUDED)**

## Trip Information

TRAVEL COURSE SUMMER '25

3 CREDIT HOURS

Complete a **Biology Lab foundations requirement** (or BIO 101, BIO 219, or BIO 223) by island hopping in the Galápagos. Swim with **sea turtles, sea lions, rays**, and a **variety of sea life** while learning about the **biology, biogeography, and history** of the Islands. Climb a **volcano**, kayak with **sharks** and **penguins**, and visit some of the last areas in the world where **giant tortoises** live.
